DEFINITIONS

Idaho Code 72-102(8): Custom Farmer means a person who contracts to supply operated equipment to a proprietor of a farm for the purpose of performing part or all of the activities related to raising or harvesting agricultural or horticultural commodities.

Idaho Code 72-102(17): Independent Contractor: For the purposes of workers compensation law, a custom farmer is considered to be an independent contractor.

- 1. Are you engaged in hauling for hire or custom farming? Yes No. If yes, please explain _____
2. Do you engage custom farmers or subcontractors? Yes No. If yes, do you have a certificate of workers compensation insurance on file from the custom farmer/subcontractor? Yes No
3. Do you engage the services of a farm labor contractor? Yes No
If yes, do you have a certificate of workers compensation insurance from the farm labor contractor?
Yes No

It is understood that custom farming with non-ownership employees, farm labor contractors and their employees, and contractors who cannot provide a Certificate of Workers Compensation Insurance will be reported in the payroll and premium will be charged.
